Compliance	FCC Part 15 Class B and FCC Part 15E; IC ICES-003 Class B and RSS-210; UL-cUL Listed, ENERGY STAR [®] approved Qualifies for treatment as U.S. Trade Agreements Act ("TAA") compliant finished product.
Warranty⁵	One or three year International Limited Warranty on select corporate configurations; 24/7 technical support

Notes:

- 1) Pre-installed with a free 60-day trial version of McAfee[®] Multi-Access. The 60-day trial version is activated upon user's acceptance of software license agreement. After the 60-day trial period, the user must purchase a subscription from McAfee to download latest virus definitions.
- 2) One gigabyte (GB) = one billion bytes; accessible capacity will be less and actual capacity depends on the operating environment and formatting.
- 3) A GPS application that supports Windows Sensor and Location APIs must be purchased separately.
- 4) Battery life tested internally by Fujitsu using Windows Media Player full screen MPEG file playback, and may include audio muted. Battery life will vary depending on the product configuration, product model, application loaded on the product, brightness, power management settings on the product, Operating System, and the product features used by the customer. As with all batteries, the maximum capacity of the installed batteries will decrease with time, usage, and how often the batteries are charged by the user.
- 5) Service and warranty turnaround time may vary by country and product. The International warranty is only valid for products purchased in North, Central, and South America.

About Fujitsu America

Fujitsu America, Inc., is a leading ICT solutions provider for organizations in the U.S., Canada and the Caribbean.
