Technical details

Fujitsu recommends Windows.

Battery	Lithium ion battery 3 cell, 38 Wh Battery life: Up to 11 hours ⁴
AC Adapter	Autosensing 100-240V AC, 36W, 12V DC
Dimensions/Weight	10.51" (w) x 7.12" (d) x 0.39"/0.55" (h). Weight, approximately 1.4 lb.
MIL-STD-810G⁵ Built Tough	MIL-STD-810G tested for various demanding environmental conditions, functional shock, vehicle vibration, vibration integrity, altitude, low (cold) and high (heat) temperature, humidity, transit drop, and blowing dust
Operating Temperature	41°F to 95°F (ambient temperature); 20% to 85% relative humidity, non-condensing
Non-Operating Temperature	5°F to 140°F (ambient temperature); 8% to 85% relative humidity; non-condensing
Key Accessories	Docking Cradle with: Three USB 2.0 connectors One DC-in connector, One LAN (RJ-45) connector, One HDMI port, One VGA port. Keyboard Cover VESA Mount For a full list of accessories, visit www.shopfujitsu.com or call 1-800-FUJITSU

Compliance and Service Information

Compliance	FCC Part 15 Class B VCCI, and FCC Part 15E; IC ICES-003 Class B and RSS-210; FCC and IC RF human exposure limits; UL-cUL Listed, ENERGY STAR [®] approved
Warranty⁶	One or three year International Limited Warranty on select corporate configurations; 24/7 technical support

Notes:

- 1) Pre-installed with a free 60-day trial version of McAfee[®] Multi-Access. The 60-day trial version is activated upon user's acceptance of software license agreement. After the 60-day trial period, the user must purchase a subscription from McAfee to download latest virus definitions.
- 2) One gigabyte (GB) = one billion bytes; accessible capacity will be less and actual capacity depends on the operating environment and formatting.
- 3) Wireless service is not included with your notebook/ tablet PC. Activation, credit approval, and 2-year minimum commitment required. Monthly service fee, taxes, surcharges are extra. Actual connectivity is subject to wireless service provider's coverage area and may be affected by equipment, topography, signal strength, environmental considerations, and other factors. Service may vary significantly within buildings. Coverage not available everywhere – see wireless carrier's coverage map for details. Terms and Conditions and additional restrictions apply. A GPS application that supports Windows Sensor and Location APIs must be purchased separately.
- 4) Battery life tested internally by Fujitsu using Windows Media Player full screen MPEG file playback, and may include audio muted. Battery life will vary depending on the product configuration, product model, application loaded on the product, brightness, power management settings on the product, Operating System, and the product features used by the customer. As with all batteries, the maximum capacity of the installed batteries will decrease with time, usage, and how often the batteries are charged by the user.
- 5) MIL-STD-810G test results are not a guarantee of future performance under identified test conditions, nor does it imply that it will meet the contract requirements of Department of Defense. Accidental damage is not covered under standard international limited warranty. Testing currently underway to validate the achievement of these design objectives.
- 6) Service and warranty turnaround time may vary by country and product. The International warranty is only valid for products purchased in North, Central, and South America.
